# 32<sup>nd</sup> ANNUAL DINNER AUCTION

### SATURDAY, MARCH 9, 2013

Presented by

A proud supporter of CMH! (262) 549-8500 • www.WaukeshaBank.com • Member FDIC

#### Dear Friends of CMH,

If the music is jazz, the cuisine is Cajun or sweet French, and the fleur-de-lis is seen everywhere, then you must be in New Orleans. If the spirit of celebration and generosity harkens to Mardi Gras, then it must be one of those *NOLA Nights*!

Not to miss a teachable moment, it is worth pointing out that the fleur-de-lis is a symbol of Our Lady with many meanings ascribed to it. My favorite tonight would be that this "flower of the lily" shows how perfection, light, and life, are bound together in our Blessed Mother. They are also bound together at CMH.

It is central to *The Memorial Way* that with St. Mary's **perfection** as our inspiration, we at CMH strive for nothing but the best in the classroom, on the stage, field, court, or in the studio. It is in our commitment to preparing servant leaders for the Church and the world that we strive to be Christ's **light** in the community. Serving **life** is a conviction about God's first gift to us, and it also guides how we strive to lift up and serve the proper Christian dignity of every member of our CMH family.

The most important thought for tonight at Crusader Auction 2013, is that our students are our outward sign of perfection, light, and life. Trusting in our foundation and our faith, we know that our future in all areas – academic, athletics, performing arts, fine arts – will continue to show great success!

Tonight, the joy and celebration which we have earned, is but another opportunity for you to help CMH continue to grow and flourish. *NOLA Nights* evokes an enthusiastic and carefree time. It reminds us of just how good we have it in life. It should encourage us to a generosity which secures those good things for years to come.

Thank you to the CMH Auction Committee and its legion of volunteers, led by Traci Huntemann – Piatt and Jodi Jacobson. Their countless hours of work and scores of energy have made this wonderful event possible. Thank you also to Michelle Vandenhouten and the entire staff of the Office of Development for their work in bringing it all together.

Thank you to innumerable individuals, groups, and companies who made donations in many forms, all to support the mission of CMH.

And thank YOU. Just by being here you help us live out our mission. Your generosity allows us continued growth in perfection, light, and life!

Our Lady of Memorial, pray for us!

Fre. Par

Very Reverend Paul B. R. Hartmann President

Dear Families, Alumni and Friends of Catholic Memorial High School,

It is our pleasure to welcome all of you to the 32<sup>nd</sup> annual Crusader Auction, "NOLA Nights," and, like they say in New Orleans, *Laissez les bons temps rouler!!* 

This evening, we are grateful for and celebrate the efforts of the CMH students, faculty and staff. We gather to enjoy fellowship and a sense of community, as well as to raise funds to support all the CMH programs that educate, guide and prepare our students to serve their Church and world. It is through your attendance and support tonight that our goals can be achieved.

We are grateful for the many dedicated and enthusiastic volunteers that have worked countless hours to make this year's auction a success! We are so grateful to our sponsors, advertisers, and donors whose generosity continues to astound and amaze us.

And a heartfelt thank you to our student volunteers who continue to represent all the good that Catholic Memorial bestows on them. One of the many strengths of Catholic Memorial is the commitment and involvement that each of our students has towards this school. We are all blessed and grateful to be part of this wonderful CMH community.

We hope you enjoy this evening's activities! Bid early, bid often and give generously! Thank you for your kindness and contributions tonight to support Catholic Memorial High School!

Traci Huntemann-Piatt and Jodi Jacobson 2013 Auction Chairs

Halfway through my 4th year as your principal, I am continually awed by the generosity and support of the CMH community at our fundraising events that continue to support the academic programs at Catholic Memorial. Events, such as these support the Academic Resource Center, International Baccalaureate Program, Project Lead the Way, Sustaining the Mission (adult faith formation) and our Student Growth Plan that currently help all students at Catholic Memorial reach increasingly high standards of success. The transformation of the Cafeteria into the Learning Commons represents our focus and the introduction to promoting innovative instructional practice and space utilization. As Vision 2020 continually moves forward, we will increase our efforts at raising standards in all academic programs, foster faculty development with college and business partners, and introduce students to innovative processes and career planning that will help CMH be the premier Catholic high school for all families wanting the gift of Catholic education.

Thank you to all who have sponsored, donated, volunteered and are present tonight. It is wonderful to share this evening with all of you. I would like to offer special thanks to co-chairs, Traci Huntemann-Piatt and Jodi Jacobson, and the entire Auction committee for their endless energy to make this an unforgettable evening.

Enjoy your evening and many blessings,

Dr. Bob Hall Principal
